**Re: Fraser International College**

The University Transfer Program II (UTP II) at Fraser International College (FIC) provides first year university level courses to international students. The program utilizes Simon Fraser University's curriculum with SFU having full academic oversight of the program.

Students transfer into the second year at SFU upon completing the UTP II program at the GPA set by SFU and specified in their Letter of Offer. Students benefit from smaller classes and longer teaching sessions at FIC while they are in their first year. The FIC program is taught on the SFU Burnaby campus.

Students are issued a combined Letter of offer for FIC and SFU. The offer is for the total period of the undergraduate program with an expected duration of at least 4 years.

SFU has been working in partnership with FIC since 2006 and has welcomed many FIC students who have successfully completed the UTP II program at FIC and subsequently transferred to SFU.

If you require additional information regarding this relationship, please contact me. For further information about Fraser International College and the UTP II program, please feel free to contact Ms. Sharla Reid, College Director and Principal ([sharla.reid@fraseric.ca](mailto:sharla.reid@fraseric.ca)).
